Below are articles from this week's edition of North of 60 Mining News.

Mining News: Fort Knox's new plan 04/12/2015

For nearly two decades, the Fort Knox Mine in Interior Alaska has been a steady low-cost gold producer for owner, Kinross Gold Corp., and an economic driver for the nearby city of Fairbanks. A new technical report, however, outlines a mine plan that begins winding down operations in 2017. It is an i...

Mining News: News Nuggets: Fish committee moves Bristol Bay bill 04/12/2015

The Alaska House Fisheries Committee April 7 passed Bristol Bay Fisheries Act (HB 119). The bill, sponsored by Rep. Andy Josephson, D-Anchorage, would require commissioners of the Natural Resources, Environmental Conservation and Fish and Game departments to determine that it has been proven beyond...

Mining News: News Nuggets: Higher grades, more gold at Kensington 04/12/2015

Coeur Mining Inc. April 6 reported the Kensington Mine in Southeast produced 33,909 ounces of gold during the first quarter of 2015, a 33 percent increase over the 25,428 oz. recovered during the same period last year. This increase is due to higher grade ore, which more than offset lower mill throu...

Mining News: News Nuggets: Goldrich completes modest financing 04/12/2015

Goldrich Mining Co. April 2 reported the completion of a US\$250,000 non-brokered private placement of 5 million units at a price of US5 cents each. Each unit consists of one Goldrich common share and one full-share purchase warrant. Each warrant entitles the holder to purchase one additional common...

Mining News: Northern Empire lays claim to Richardson 04/12/2015

Northern Empire Resources Corp. has laid claim to Richardson, a 52,000-acre gold property in Alaska's Interior and has formed an alliance to begin exploring a segment of this vast parcel. Northern Empire is a prospect generator with early-stage gold properties in

Alaska and Nunavut and a silver prop...

Mining News: Northern Neighbors: Junior borrows funds to build Gahcho Kué 04/12/2015

Mountain Province Diamonds Inc. April 7 reported closing a US\$370 million term loan facility, which finalizes the company's anticipated funding requirements for the construction and commissioning of the Gahcho Kué diamond mine in Northwest Territories. Gahcho Kué, a joint venture between De Beers Ca...

Mining News: Northern Neighbors: Seabridge raises C\$16.73M for KSM 04/12/2015

Seabridge Gold Inc. April 7 reported completion of a C\$16.73 million bought-deal financing. A total of 1.61 million flow-through common shares were sold at a price of C\$10.17 per share. Seabridge will use the proceeds from this financing to fund its 2015 exploration program at the KSM copper-gold pr...

Mining News: Northern Neighbors: Imperial Metals chalks a loss for 2014 04/12/2015

Imperial Metals Corp. March 31 reported a net loss of C\$37.3 million (C50 cents per share) for the year ended Dec. 31, 2014, compared with net income of \$41 million (C55 cents per share) in 2013. This C\$68.3 million swing is due to lower metal production and \$67.4 million in remediation costs relate...

Mining News: Northern Neighbors: Pretium, Nisga'a ink Brucejack treaty 04/12/2015

Pretium Resources Inc. and the Nisga'a Nation April 2 said they have entered a cooperation and benefits agreement related to Pretium's Brucejack gold project in northwestern British Columbia. Under the terms of the agreement, the Nisga'a Nation will provide ongoing support for the development and op...
